Sub: Request for providing certificate for the Energy Audit of Government General Degree College, Tehatta

Respected Sir,

This is to inform you that we have to submit an energy audit report to our concerned authority, and it is very essential for the confirmation of our institutional energy initiatives.

Therefore, I would like to request you to conduct an energy audit in our college premises and submit the report at the earliest.

Awaiting your kind response.

With regards,

Memo No. Date: 08/01/2020

CIRCULAR

Government General Degree College, Tehatta, has taken initiatives to make the campus greener and more eco-friendly. In regard to this, all the students and staffs are requested to adhere to the following guidelines:

1. The institution appeals everyone to avoid using single use plastics inside the campus. Instead, usage of paper bags, jute bags or cloth bags are preferable.
2. Students and staffs are encouraged to avail bicycles, public transportation or E-transportation modes. The college will provide parking for emission-less two wheelers.
3. All are requested to dispose biodegradable and non-biodegradable wastes in separate waste bins which are present in the campus.
4. The college promotes paperless culture. So most of the administrative procedures such as admission, examination, payment of fess etc. will be carried out in online mode. Cooperation from students and staffs is appreciated.

Sub: Updation / modification of People's Biodiversity Register (PBR) ... regarding.

Madam/Sir

The Biodiversity Management Committees (BMC) at all the local bodies of West Bengal have been constituted as per Biological Diversity Act 2002 for effective implementation of the said Act. The BMC plays a crucial role in conservation of biodiversity, promotion of livelihood generation through sustainable utilization of bio-resources etc.

For fulfilment of these objectives, the first and prime function of the Committee is to prepare People's Biodiversity Register (PBR) in consultation with local people. The PBR is considered as a statutory technical document that captures all the details of biological resources and their associated knowledge available in the jurisdiction of the local body. All the BMCs have already completed their PBRs.

The Ministry of Environment Forest and Climate Change has taken a nationwide initiative of PBR updation-cum-verification from 23rd May to 4th June, 2023. As per the guidelines of the exercise, students of Graduate/ Post Graduate (Zoology/ Botany / Biological science) are to be involved in this programme. The students will be trained to have an understanding of this activity. After that, they will visit the concerned Gram Panchayats (GPs.) /Block for updation / modification of PBRs in consultation with local people and other stakeholders and finalise the updated PBR in prescribed format. The local administration / BMC will provide support to them. This nation-wide action has to be completed by 3rd June and the documents along with photographs will have to be uploaded on the website, to be hosted specifically for this purpose, by 4th June, 2023.

The students will be provided their conveyance/ tiffin cost and a certificate of participation on completion of this activity.

Sub: Permission for carrying out a field work on the river Jalangi as a part of environmental studies.

Sir/Madam,

I would like to request you to grant permission to carry out a field work on the river Jalangi as a part of environmental studies during the period of 01/03/2023 to 30/06/2023.

Objective: To carry out a thorough survey on the pollution and cleanliness of river Jalangi.

Participants: Students and teachers of Government General Degree College, Tehatta.

Outcome: To make the students aware of their local environment and improve their environmental ethics.

I assure you that our teachers will properly guide the students to prevent any undesirable situation that is going to affect the locality. Hope for your kind cooperation in this regard.

Thanking You,
Yours faithfully

Sir,

Subject: Proposal to celebrate World Environment Day at the college campus

On behalf of the Alumni Association of Government General Degree College, Tehatta, I am writing to propose the organization of special events to commemorate World Environment Day on 5th June, 2024.

World Environment Day serves as a crucial occasion to raise awareness about environmental issues and encourage positive action towards sustainability. In alignment with this global initiative, we would like to request the college's support in organizing the following events:

- Special Lecture:** We propose hosting a special lecture by a local journalist of a leading newspaper on current environmental challenges.
- Poster Competition:** To engage students creatively and promote environmental awareness, we suggest organizing a poster competition.
- Sapling Distribution:** We are planning for an outreach programme in the neighbourhood community by distributing saplings. This step would encourage the planting of trees and contribute to greening our surroundings.

We are enthusiastic about collaborating with the college administration to ensure the success of these events. We believe that these activities will significantly contribute to the college's efforts in promoting environmental awareness. We look forward to your positive response.

Yours sincerely,

AKshay Biswas

NOTICE

This is to inform all concerned of the college that the Alumni Association of Government General Degree College, Tehatta in collaboration with the IQAC will be organizing a special lecture session on 5th June as part of observation of World Environment Day, 2024. The lecture session will be followed by an outreach programme in the neighborhood community. Also a poster competition will be held for the students which can be on any of the following topics:

1. Land restoration
2. Desertification and drought resilience
3. E- waste management
4. Pesticide effect on environment
5. Environment rules to protect trees

Interested students can bring the posters on the said day. The best poster will be awarded on the same day. So all are requested to be present to make the event successful and memorable.

Venue for lecture session and poster presentation: College Seminar Hall
Time: 11 a.m.
