TO WHOM IT MY CONCERN

*This is to certify that the Government General Degree College, Tehatta of Nadia District has sincerely put its efforts in a direction of optimal electrical consumption, effective management of different electrical equipment and use of renewable energy resources. On physical inspection inside the campus, we have independently assessed the activities and measures carried out by the college in connection with the 'Energy Audit' of the academic session 2022-2023 and we hereby express our satisfaction in this regard. The College authority verbally assured that they are trying their level best to install energy efficient electrical gadgets and equipments to minimize the waste of energy. The necessary feedback has been given and recommendations have been made to make energy consumption cost-effective and more eco-friendly.*
