GREEN AND ENVIRONMENT AUDIT CERTIFICATE

This is to certify that Government General Degree College, Tehatta, located at Tehatta, Nadia, West Bengal, Pin-741160, has steadfastly strived to establish a robust and ecologically sustainable environment, dedicated to the preservation of nature and biodiversity. On behalf of Biodiversity & Conservation Laboratory, Govt General Degree College Chapra, I express satisfaction following the successful completion of the Green and Environment Audit of Govt General Degree College, Tehatta for the academic year 2022-2023.

This accomplishment has been made possible through the active and moral support extended by the Officer-In-Charge, IQAC-Team, the dedicated teaching and support staff, and the enthusiastic student body of Government General Degree College, Tehatta. Their collective efforts have significantly contributed to the creation of a positive and eco-friendly atmosphere on the campus.

The commitment demonstrated by both faculty and students towards environmental improvement and the conservation of biodiversity is truly commendable. This proactive approach aligns with the highest standards of ecological stewardship, reflecting a genuine dedication to sustainable practices. This certificate serves as recognition for the outstanding efforts undertaken by Government General Degree College, Tehatta fostering a healthier and more environmentally conscious campus. I applaud their commitment to creating a positive impact on the environment and encourage the continuation of such admirable initiatives in the future.
