33	SURVEY ON FEMALE EDUCATION AT KHASPUR VILLAGE.	NSS	SPECIAL CAMP	18.03.23	39	A survey was conducted on women's education at Khaspur as the status of female education which was deteriorating gradually. Hence the objective was to uphold the necessity of educating the women by giving extra attention on female education. After the survey attention had been paid to the women's education which was ignored earlier. Attempts were being made by the student participants which motivated the community to ensure that the girls are continuing their study and no gender discrimination is practiced in the area in terms of study. Hence the survey of NSS unit acted as a measure of establishing gender equality in the field of education.
34	SURVEY OF WOMEN STUDY IN ADOPTED VILLAGE	NSS	REGULAR AVTIVITY	19.03.23	35	The survey was conducted, on the availability of government facilities, the reason behind the prevailing ratio of girls' drop out at school level, by the NSS volunteers in the adopted
