Admission: 2024-25

Tie- breaking rule for Admission

While admitting candidates from the merit list if it is found at some point of time that the approved intake is to be increased as a special case likely to be breached due to sharing of the same merit position by more than one candidate then in that case all the candidates at that particular merit position may be admitted subject to prior approval of the Vice-Chancellor and the excess admission will be granted only for that year.
