1. Title: Comprehensive Support for needy students.

2. Objectives of the Practice

This practice caters to the needs of the students by providing suitable concessions regarding fees, providing remedial classes and provide necessary study materials and books free of cost so that they can complete their education without much financial, emotional and social pressure.

3. The Context

The college being located in a rural backdrop houses many students who are quite needy and even do part time jobs to support their families. We noticed a sharp decline in the number of student admissions after the lockdown. Also, one of our student suffered from a major accident in January, 2020. This incident was another turning point when the college decided to adopt a practice where it can help students on a regular basis.

4. The Practice

Financial Aid and Fee Waivers:

- i. The academic fees were not increased for several years following a resolution of the IQAC especially during and after the lockdown period. College authority is flexible enough of collecting the college fees from the students part by part and in some cases the fees were even partially waved off.
- ii. Students are given extra time to deposit their fees like exam fees and others.
- iii. The college also helps the students in filling certain forms (Exam, scholarship etc.) using the college computer facilities if required.

Mentor-mentee system: Mentor-mentee sessions are conducted by each department to identify and support students in need of financial and emotional assistance.

Academic support:

- i. Remedial and extra classes are provided to students if required.
- ii. Students have free access to the well-equipped college library so that they don't have to buy books. The library also issue books more than the assigned numbers if needed. Teachers also provide suitable study materials, books and e-books as required.

Scholarship Support and Assistance: The institution actively implements government scholarship schemes and has a dedicated scholarship sub-committee to assist students with queries and applications.

Other support: The College takes extra care for the specially abled students and extends support to students in case of crisis like family pressure and medical emergencies.

Charity as Value: We aim not only to provide material support through charity but also to cultivate and embed this value in our students.

5. Evidence of Success

- i. Several students who were forced to compromise their studies due to family pressure, were successfully convinced to continue their studies.
- ii. The college has even convinced some parents who were set on marrying off their young daughters without letting them complete their degrees.
- iii. The college raised a substantial fund from various sources to treat a critically injured student Tanmoy Nath who later completed his graduation from our college and is now pursuing higher studies.
- iv. Another student, Rakhi Ghosh, who is completely blind, graduated from our college and has currently qualified the NET exam.

6. Problems Encountered and Resources Required

Being a Government college, only a minimum portion of the college fees are under the direct supervision of the college. This makes granting concessions difficult. The college previously lacked human resource particularly in the library. This problem has been resolved after a librarian joined in 2022. In many cases convincing the parents to let their children continue their studies became a serious challenge. A free/low-cost shuttle service from the nearest bus stop to the college can be arranged to address the students' commuting issue.

Dear Candidate

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted for December 2023. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 18-01-2024 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/net

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure and available on www.ugc.ac.in/net

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Institutions/Colleges will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker IDs which have already been provided to them along with the password. The universities/institutions/colleges shall update the information in the master data (regarding monthly payment confirmation, HRA, upgradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned universities/institutions/colleges, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://ugc.ac.in/ugc_notices.asp?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of student so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the university to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by implementing / Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s),
- Concealment of facts.

রাখির মা মিনতি ঘোষ বলেন,

সরকারি চাকরি পাক, এটাই চাই।"
আর রাখি নিজে বলছেন, "সবাই

আমি চোখে দেখতে পাই না, তার

এগিয়ে যাচ্ছি।"
