MESSAGE FROM THE DESK OF THE PRINCIPAL

I joined Tehatta Govt. College as the first Officer-in-Charge in 2015. The Govt. initiative to start a Govt. College at Tehatta is very praiseworthy. The college started its first session in 2015 with five Hons subjects and General Course. I seek everyone's support in the smooth functioning of the college. The college is in its initial phase and I am trying my level best with the help of teachers, non-teaching staff, students and local people to make this college a centre for excellence. I think that this college in a remote area will help local students to pursue higher education.

Dr. Gobardhan Rano

OUR COLLEGE

Tehatta Government College is nestled on the pleasant banks of the Jalangi River in the district of Nadia, West Bengal, India. The college, still under construction, besides the Kulgachi Road is a seat of heavenly beauty—partly due to the majestic river and partly due to the fertile lands that surround it—and a tranquil centre for the pursuit of knowledge. Tehatta, situated near the Bangladesh border, is a flourishing locality of Nadia District mainly because of its rich

agricultural sites. Recently, Tehatta has become a sub-divisional town as well. There are two extremely high quality schools at Tehatta, one each for boys and girls. Besides that, Tehatta has been granted the rights to be a municipality and that has drawn attention of people to this quiet locality from all quarters. However, this extremely flourishing place did not have a higher education institute hitherto. The people of Tehatta had a demand for getting a college of their own so that the poor but meritorious students do not have to go far to pursue higher education.

The state government has done an admirable work by establishing this college literally on war footing. The basic ingredients of a successful college—infrastructure, human resource and intelligent students—were all present here in Tehatta itself. So, the dream of the people of Tehatta for a college of their own, a college of national standards, has become a reality.

It is heard from the locals and the government documents that the land where the college is actually set up was of Tehatta High School. Later, listening to the earnest plea of the residents of Tehatta, the Government of West Bengal decided to establish the college on this piece of land (Memo No. 6418-GE(M)/2L-296/13 Dated 06/12/2013). A two storied building has already been constructed on this 3.10 acres land by spending 5.29 crores. The work of the construction of the second floor of the main building is going on and will soon be completed. Besides the extremely spacious classrooms, the college has already got permission for a huge library and a state-of-the art conference room. These plans will be soon materialized. There are also proposals for the construction of a huge Science Building as well as well equipped laboratories. There is already a large playground within the college campus itself.

OUR COLLEGE

Alongside this, a beautiful water body and a beautiful flower garden are being made. There is a plan in place to develop an herbal garden as well. There is also a huge cycle garage keeping in mind the need of the students. The foundation stone of this college was laid on 28th February, 2014. This day is celebrated as the foundation day of Tehatta Government College with utmost grandeur. The college received its affiliation from Kalyani University on 21st May, 2015 (Order No. 705-(A)/4C-12a/97(pt) vide memo No. RPS/Aff.Coll./71/347/2015/S-17). Within merely one and a half year of its foundation, the college started its journey and the much awaited teaching-learning process also started from the academic session 2015-16. It is from this above mentioned time that the college has started offering honours and general courses in Bengali, English, History, Political Science and Philosophy. Very soon, Honours and Pass courses in Sanskrit and Sociology, in arts stream, will be offered. The college is waiting to get approval to introduce courses in Mathematics, Physics and Chemistry in Science Stream.

The first person to hold office in Tehatta Government College was Dr. Gobardhan Rano, the young professor of Mathematics, who was posted from a renowned government college of Nadia District as officer-in-charge to look after the growth and well-being of the college. After a short while, two more professors,

Dr. Sibsankar Pal and Dr. Manjari Ghosh, coming from prominent government colleges and with vast amount of experiences, took charges of their respective offices. Then, two more young teachers, Sri. Raghunath Roy and Sri. Malay Das, coming from two highly reputed government colleges of the state, joined the college after a short while. The earnest efforts put in by the officer-in-charge and these concerned teachers transformed this infant college into a healthy and efficient centre for pursuing quality education and excellence. The joining of many more young, exuberant and freshly minted teachers has furthered this process even more. Amongst the many newly established government college, Tehatta Government College has already made its mark as a distinct force in the field of higher education. The administration of Tehatta Government College hopes that with the ceaseless effort of the teachers, non-teaching staffs, students, the local people and the local administration, the college will soon be one of the pioneering institutions of the state in cultivating the merit of the students.

ELIGIBILITY CRITERIA FOR ADMISSION

1. A candidate may be admitted to the first year of three-year B.A./ B.Sc./ B.Com.(Honours/ General/ Major) Courses of Studies on passing Higher Secondary (10+2) Examination in General or Vocational Stream conducted by the West Bengal Council of Higher Secondary Education or an equivalent examination conducted by other State Board / Council, or, Rabindra Mukta Vidyalaya, or, National Open School recognized by the Distant Learning Council **subject to fulfilment of the conditions mentioned below:**

In case of other Boards/ Councils, a candidate shall have to pass in five recognized subjects, of which one shall be English, of full marks not being less than 100 each. A candidate passing in four subjects shall not be eligible for admission.

Candidates passing Higher Secondary examination from vocational stream conducted by the West Bengal Council of Higher Secondary Education or any other equivalent board/council are eligible for admission only in General and Major courses (and not in Honours courses) provided that the candidate must have passed in 5 (five) recognised subjects, of which one shall be English, in the previous qualifying examination.

2. Candidates will be allowed for admission within 3 (three) consecutive academic sessions including the year of passing the previous qualifying examination.

(For example: candidates passing H.S. Examination in the year 2007 will get last chance of admission in the academic session 2009-2010.)

3. **A candidate taking up Honours Course in a subject must have obtained:**

- (I) A minimum of **45%** marks in aggregate and **55%** marks in the subject or related subject at the previous qualifying examination, **Or**
- (II) **50%** marks in aggregate and **45%** marks in the subject or related subject at the previous qualifying examination, **Or**
- (III) **55%** marks in aggregate when the candidate has not studied the subject or any related subject in his /her previous qualifying examination provided all other clauses are satisfied (especially Rule 5).

However, candidates belonging to the Schedule Caste or Schedule Tribe Community taking up Honours Course of Study will enjoy 5% relaxation in marks in (I), (II) & (III) above, as the case may be.

ELIGIBILITY CRITERIA FOR ADMISSION

EXPLANATION:

- (i) Aggregate means the sum of marks of best scored five (5) subjects excluding compulsory Environmental Education/ Environmental Science / Environmental Studies. Also for old candidates (i.e., candidates passing H.S. examination before 2007) aggregate will be calculated in similar manner (i.e., on the basis of best scored five subjects) without deducting any marks for the 'Optional Elective Subject' (if any).
- (ii) While calculating such aggregate full marks of each such subject will be scaled down to 100 wherever needed.
- 4.(a).** Admission will be strictly on the basis of merit. Merit list will be prepared uniformly on the basis of the following criteria:
 - (i) In case of Honours courses: Aggregate (as per previous explanation) plus the marks obtained in the subject in which he/she intends to take up honours or related subject. However, students who avail themselves of the Rule 3(III) will not get the benefit of 'related subject'.
 - (ii) In case of Major and General courses: Merit list will be prepared on the basis of aggregate.
- 4.(b).** For admission to Honours courses complete list of all applicants according to merit will be published at the first instance and admission will be done preferably through counselling in accordance with the intake capacity.
- 4.(c).** For admission to Major and General courses list of applicants in order of merit will be published in accordance with the intake capacity.
- 4.(d).** While admitting candidates from the merit list if it is found at some point of time that the approved intake is likely to be breached due to sharing of the same merit position by more than one candidate then in that case all the candidates at that particular merit position may be admitted subject to prior approval of the Vice- Chancellor and the excess admission will be granted only for that year.

ELIGIBILITY CRITERIA FOR ADMISSION

EXPLANATION:

5. Candidates may be allowed to change subject/stream/course in their first year of study, subject to approved intake capacities and various clauses of these rules, by the Principals of respective colleges before submission of Registration Form to the University or any date specified by the University, whichever is earlier. No change will be entertained after that date.
6. In the case of Foreign Candidates, Student-Visa will be required. The same visa will have to be submitted within one month from the date of admission.

NSS UNIT AND CAMPUS FACILITIES

NSS UNIT

Tehatta Government College has an active NSS unit which functions under the guidance of a Program Officer (Prof. Raghunath Roy) with an advisory committee of eight other members. Approximately, hundred students are engaged as volunteers in various social activities regularly along with their usual study curriculum. During the last one year, NSS unit organized special camps at Tehatta. NSS unit of this college organized two seminars ('Women's Day', 'Aids Awareness') throughout the year.

Volunteers also participated in a number of seminars, cultural programs (College Foundation Day, Rabindra Janma Jayanti, International Mother Language Day) organized by this college. Volunteers are involved throughout the year in various social activities like lime painting on the trees, tree planting, cleaning of the college campus, cleaning of the local schools and bus stand, survey in the locality regarding sanitation, hygiene, cleanliness, socio-economic status, etc.

Besides these, the NSS unit of this college played a big role in generation of sanitation consciousness and better hygiene among the residents of the adopted village 'Khaspur'. Volunteers gifted saplings to the local schools of the village. They also delivered some useful methods of handwashing before having their meals to the kids of those schools. The NSS unit is looking forward to get involved in more social and cultural activities in the next academic session.

CAMPUS FACILITIES

● STUDENTS' HEALTH HOME

In pursuance of the goal of keeping our students healthy and physically fit, Tehatta Govt. College has sought and obtained provisional membership of the Students' Health Home Programme. This allows students of the College to obtain treatment at Krishnanagar Regional Center under the aegis of the program.

● ANTI-RAGGING CELL

The college has a strong Anti-Ragging Cell which governs the prevention of any means of ragging. The committee looks after any complaint of ragging seriously. Ragging in all its forms is totally banned inside the college premises. The college shall take strict action including cancellation of admission and criminal proceeding against those found guilty of ragging and/or of abetting ragging. The college is bound by the UGC Regulations on 'Curbing the Menace of Ragging in Higher Educational Institutions 2009'. It is also mandatory for all the students and their parents to submit an affidavit on the day of admission declaring that students will not involve themselves in any form of ragging.

● CAREER COUNSELLING CELL

The college has an active Career Counseling Cell. The objective of the cell is to unfold the career opportunities of its students and to prepare them to face the challenging professional world. The cell regularly meets students of various departments and makes them aware of different opportunities available in their disciplines and beyond. Students can also approach the members of the cell individually for any kind of career guidance and for information of further studies after graduation. The cell is also planning to hold workshops on personality development and communication skills in the near future. The cell invites professionals from different streams to facilitate the students in choosing their career goals.

CO-CURRICULAR ACTIVITIES

● GAMES AND SPORTS

The College offers various sports amenities including Football, Cricket, Badminton, Volleyball and also some indoor games. There will be a common room for the students for playing indoor games like Table tennis, Carom etc. and a standard Football cum Cricket ground inside the premises.
